

People meeting as equals

Seven tips for diverse projects

Promote diversity together! Find out here how "ici. here together." supports you in this:

1 Grow together

Focus on common interests and shared activities. Emphasise what brings people together in the project and in communication.

2 Reflect together

Reflect on your own views. Regularly examine roles and tasks in the project team.

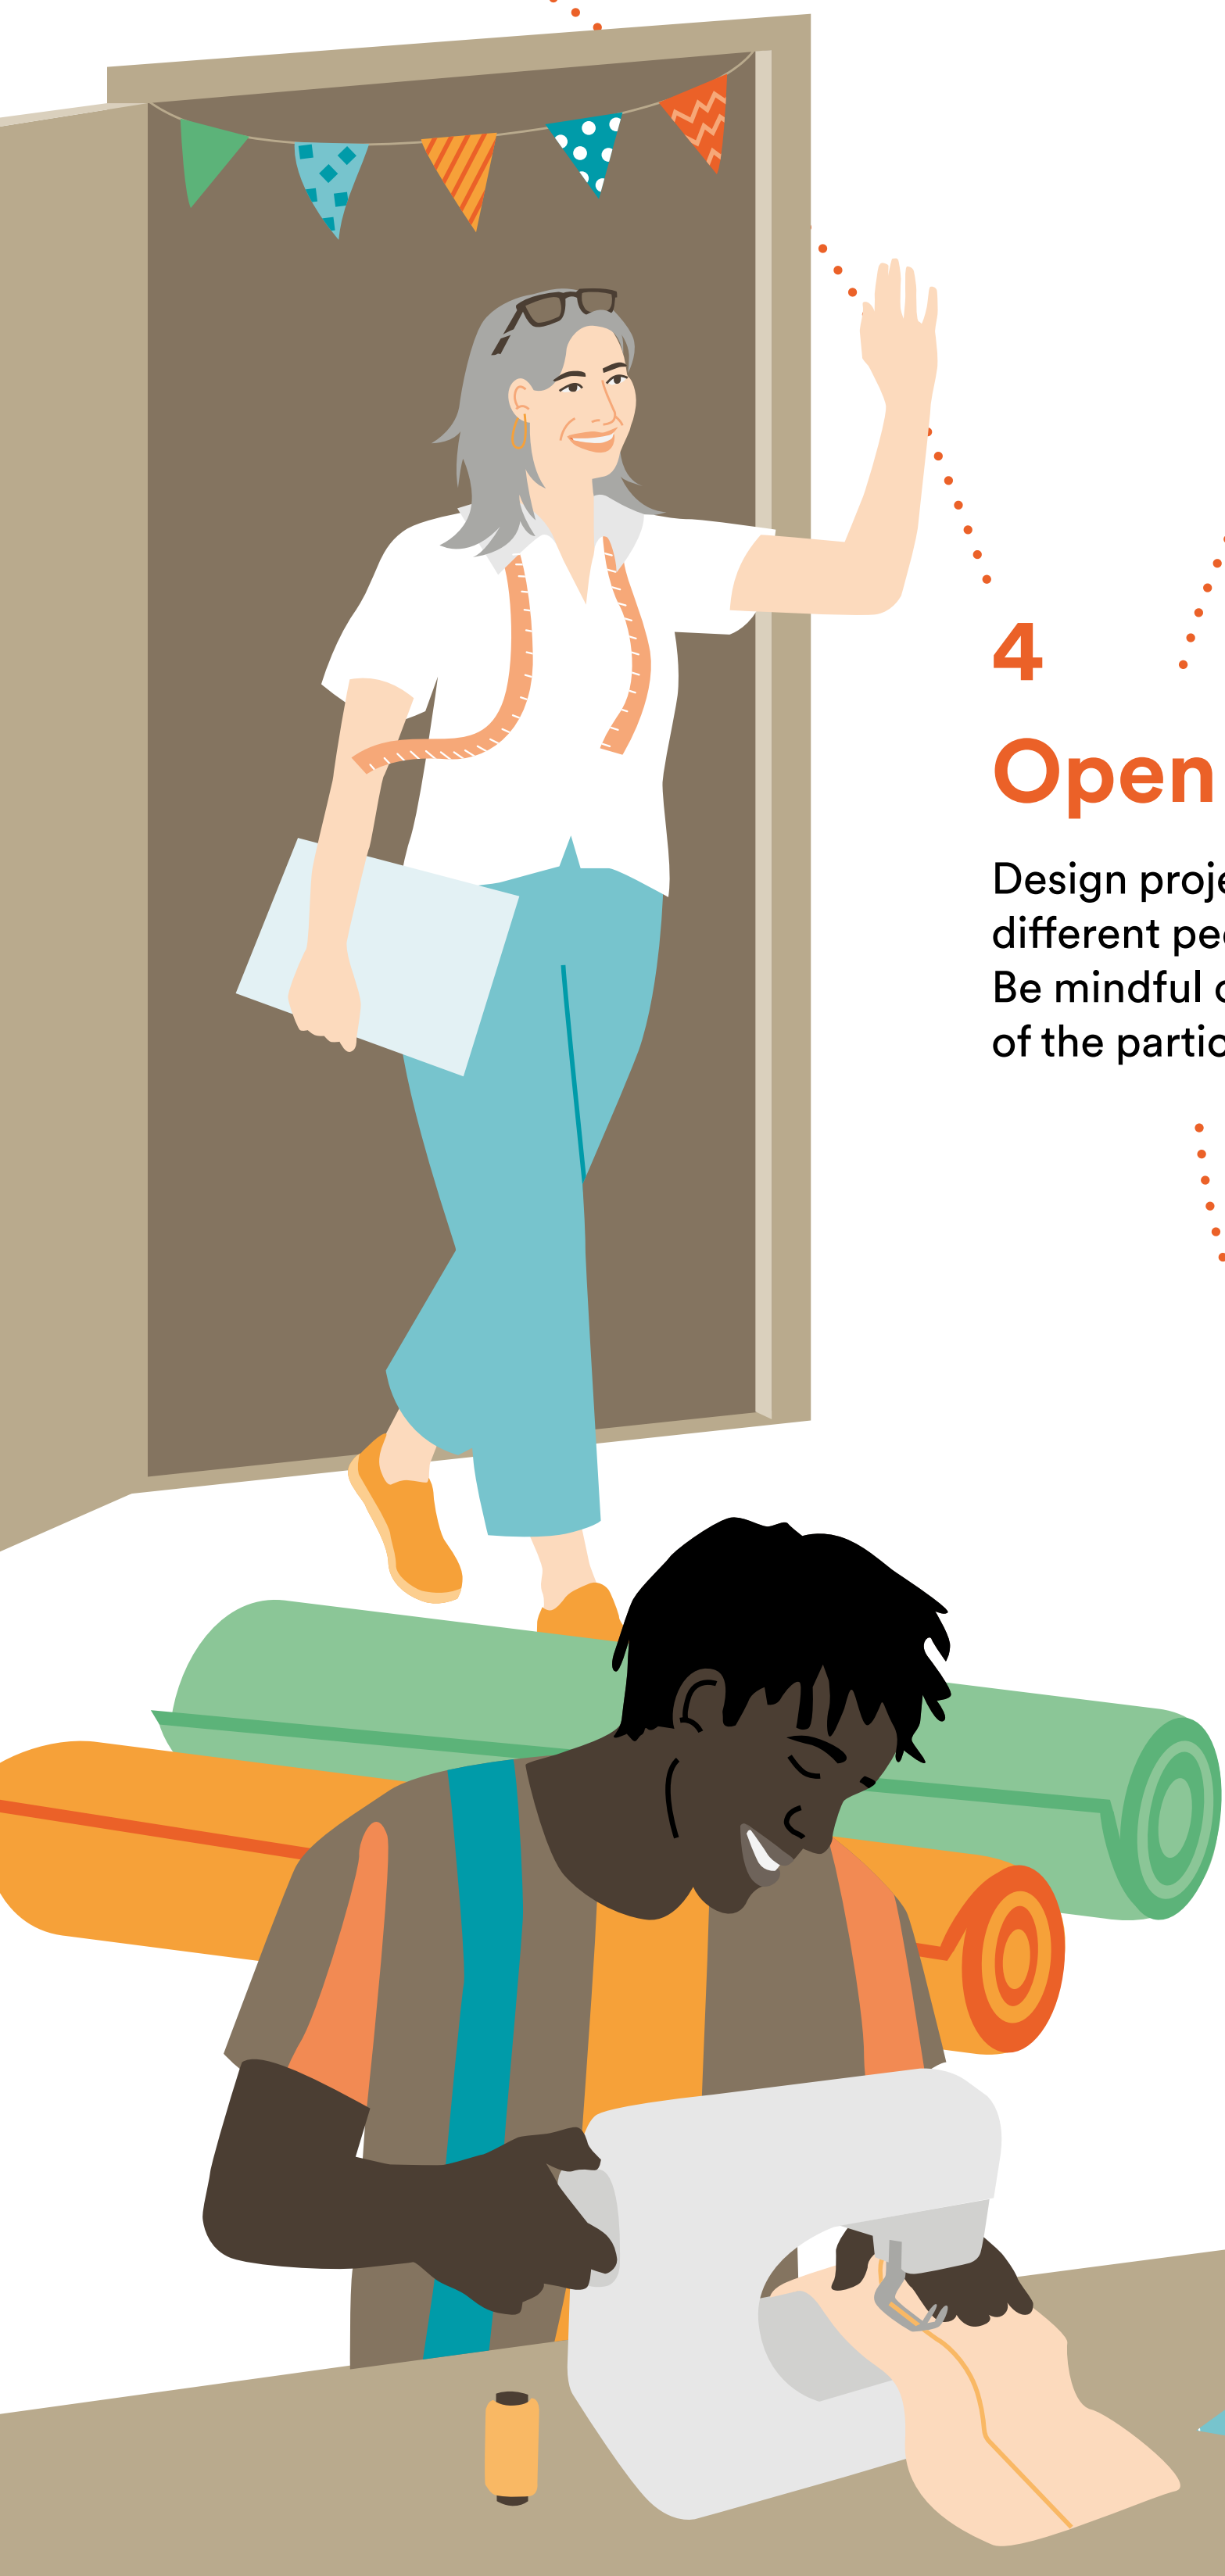

3 Find a common language

Strengthen dialogue between the people in the project by asking questions and listening attentively.

4 Open doors

Design projects in such a way that many different people can access them. Be mindful of the needs and possibilities of the participants.

5 Discover hidden treasures

Give space to the interests of all parties involved in the project. Be open and curious about a wide range of ideas. Involve participants in the planning of activities.

6 Create connections

Actively promote exchange among participants beyond the project activities.

7 Celebrate big and small deeds

Recognise the importance of volunteering. Reward more complex project and coordination work.
